AVAILABLE

OCT 2026

MORE INFO 

WHAT IS IT?

To celebrate the 45th anniversary of the JUPITER-8, Roland introduces a miniature synthesizer with sonic capabilities and interface features inspired by the early-'80s legend.

Housed in the popular Roland Boutique format, the JUPITER-08 is a powerful and fun instrument that delivers classic sound, hands-on control, and modern performance tools in a highly mobile design.

WHO'S IT FOR?

The JUPITER-08 is perfect for synth collectors, electronic musicians, producers, and performers looking for the iconic JUPITER polysynth experience in a compact instrument for studio creation and live performance.

KEY BENEFITS

1 RELIVE A SYNTH LEGEND

FEATURES

- Celebrates 45 years of the Roland JUPITER-8, one of the most revered analog synthesizers of all time.
- Massive polyphonic sound and a colorful hands-on interface based on the original instrument.
- Includes updated features for enhanced playability and modern performance needs.
- Premium Roland Boutique design with attractive new silver side panels.
- Portable, standalone mini synth with a built-in speaker and K-25m keyboard dock (included).

2 ENHANCED PLAYABILITY AND PERFORMANCE

FEATURES

- Includes new advanced polyphony mode with up to 32 voices.
- Enhanced vintage sound characteristics with refined pitch fluctuation and other details.
- 17 onboard effects, plus on-demand delay and a dedicated reverb with five types and a unique shimmer mode.
- Two-part polyphonic sequencer with motion recording.
- Arpeggio function for creating evolving patterns and rhythmic movement.
- Hold function for hands-free experimentation while performing.

3 CREATE ANYWHERE

FEATURES

- Go-everywhere design and compact footprint for travel, desktop setups, and mobile rigs.
- USB-C audio/MIDI interface for connecting to a computer.
- Traditional MIDI I/O for connecting with MIDI hardware devices.
- External clock input to smoothly integrate with analog workflows.
- Powered via four AA batteries or USB-C.

JUPITER SOUND, MODERN ENHANCEMENTS

Backed by Roland's latest technologies, the JUPITER-08's refined voice allocation and pitch behavior deliver a rich, animated playing experience with enhanced polyphonic performance and genuine vintage-inspired character.

Maximum Creative Power

With its flexible sound engine, the JUPITER-08 is a highly capable tool for performance and composition. Set it for a retro experience with architecture inspired by the original JUPITER-8. Or expand the polyphony to 32 voices to meet modern playing needs and craft all-new tonalities.

Polyphonic Sequencer and Arpeggiator

Create basslines, chords, and melodic sequences with a two-part, 64-step polyphonic sequencer that supports up to eight notes per step plus motion recording. There's also an arpeggio function for building dynamic, evolving sounds on the fly.

Expanded Effects Processing

The JUPITER-08 features powerful onboard processing for sound shaping and spatial enhancement. Players can tap into 17 MFX types—including the classic Roland stereo chorus—plus dedicated delay and reverb effects. The reverb includes a unique shimmer mode that applies an octave-shifted color to the current reverb type.

Performance-Oriented Workflow

Dedicated controls, Hold functionality, and an intuitive interface provide immediate hands-on interaction in both studio and live environments.

Modern Connectivity

A USB-C audio/MIDI interface, traditional MIDI I/O, and an external clock input make the JUPITER-08 easy to integrate into any contemporary production environment.

Compact Roland Boutique Design

The JUPITER-08 carries on all the great design features of the Roland Boutique series, including a built-in speaker and flexible battery/USB-C power for music creation on the move. A K-25m keyboard dock is included, creating a standalone mini-instrument that's ready to travel everywhere.

BUILD SUMMARY

MODEL NUMBER			JUPITER-08
MODEL NAME			JUPITER-08
PRODUCT CODE			428351A
SCHEDULE			TBC
AVAILABLE			OCT 2026
NEW/REPLACES			New
PRODUCT	SIZE	MM	308 x 209 x 54
		IN	12-1/8 x 8-1/4 x 2-1/8
	WEIGHT	KG	1.6 kg
		LB	3 lb 9 oz
ORIGIN			China
SKU	EAN/JAN		4957054524005
	UPC		761294524008
IN THE BOX			• Quick Start • Leaflet "USING THE UNIT SAFELY" • Alkaline battery (AA, LR6) x 4 • K-25m • K-25m Owner's manual
RECOMMENDED ACCESSORIES			Boutique Dock DK-01
